1 The Dinosaur Galleries 🦕

Circle everything you spot!

 Long neck	 Sharp teeth	 Giant bone	 Big claws	 A fossil	 Flying reptile

Dino moves: Stomp like a dinosaur! 🦶 Stretch your neck up tall! Roar, but quietly! 🤫

Which dinosaur was the biggest? _____

Wow fact! Some long-necked dinosaurs were **longer than a city bus!** Scientists learn about them from fossils: bones that slowly turned to stone over millions of years.

2 Treasures from Long Ago 👑

Count the shiny gold things you find! Colour in one circle for each one.

1 2 3 4 5 6 7 8 9 10

Do you see…

 A clay pot	 A sword	 A shield	 An old coin	 Fancy clothes

Quiet challenge: Pretend you're a museum statue. Freeze for 10 seconds! 🗿

Wow fact! The ROM looks after **millions of objects**, so only some of them are out on display at once!

Grown-ups: read each stop aloud and let your little one tick, circle and colour. A pencil or a few crayons is all you need. Please look with your eyes, and only touch where signs say you can.

3 The Bat Cave 🦇
