Sail across the harbour for a big island adventure! Do the stops in any order. 🧭

Explorer's name: _____ Date: _____

1 The Ferry Ride 🛳️

Circle everything you spot from the ferry!

 Tall buildings	 CN Tower	 A sailboat	 A seagull	 An airplane	 Waves

Ferry moves: Wave goodbye to the city! 👋 Sway like the boat! Flap like a seagull!

What was the biggest thing you saw? _____

Wow fact! Toronto Island is really a chain of little islands, and it's one of the **biggest car-free neighbourhoods** in North America! 🚲

2 Far Enough Farm 🐐

Count the animals! Colour in one circle for each animal you see.

1 2 3 4 5 6 7 8 9 10

Do you see…

 Goat	 Sheep	 Pig	 Chicken	 Duck

Quiet challenge: Stand very still. Can you hear an animal make a sound? 👂

Wow fact! Goats have **rectangle-shaped pupils**, which help them see almost all the way around without turning their heads!

Grown-ups: read each stop aloud and let your little one tick, circle and colour. A pencil or a few crayons is all you need. Stay close by near the water, and please don't feed the animals.
